

How to login to Aeries.NET – (for non-teachers)

Step1: Point your browser to the following url: <https://aeriesnet.rusd.k12.ca.us>

Step2: You will immediately be prompted with a login dialog box that will look similar to this:

**** it is HIGHLY recommended to NOT check the 'Remember my credentials' checkbox.**

Enter your network credentials* and click on **OK**.

*you do not need the domain in front of the username

Step3: If your credentials were entered properly, you will see a screen similar to the following screenshot, except ***your*** network username will be pre-selected and grayed out. *It will automatically be in the domain/username format.* **In almost all cases,** you will want the **Database: 'field'** to be set at **Riverside USD**. Make sure you have the proper **Year: field** selected. Then click on the **LOGIN** button.

Step4: On the next screen that appears, if the option is available to you, **choose the appropriate school** that you will need to log into, then click on the **CONTINUE** button.

The screenshot shows a login interface with the following elements:

- User Name:** A text input field containing "67-NIS\rwoods".
- Use Windows Authentication**
- Database:** A dropdown menu showing "Riverside USD".
- Year:** A dropdown menu showing "2014-2015".
- School:** A dropdown menu showing "Test Poly High School (94)".
- Buttons:** Two buttons labeled "CONTINUE" and "CANCEL" are positioned at the bottom of the form.

After clicking on **CONTINUE**, you will then be logged into your school/year that was selected in the login process.
