

Change Password - Haiku

The Google/Haiku password does not require the user to change it at specified intervals but it can be changed with the steps below.

The new password must be at least eight characters and contain one capital and one number.

- 1. Log in to Haiku
- 2. Click on the g button in the navigation bar on the top right side of your browser. This will take you to Google Drive

3. Click on the icon/picture to the right of your username

4. Click on Account
