

EOY 2 Program Participation

504 Accommodation Plan

Please Remember!

- Data must be verified by Monday June 2, 2014
- Your CALPADS 5.3 report should list <u>ALL</u> students who received or are continuing a 504 Plan for the 2013-2014 school year (July 1, 2013-June 30, 2014)
- Program Code 101 = 504 Accommodation Plan
- Use only the Participation (.NET) or Program (CS) Start/End Date fields. Eligibility fields are no longer valid!
- Active programs in Aeries must be <u>RED</u> flagged
- Open a work order if you are unable to resolve 504 entry or reporting issues
- It is the schools responsibility to enter, monitor, maintain, validate, and approve 504 Program Participation data being reported

Your goals for reporting 504 students:

- Use your records and the Aeries query to assure that any student that is <u>or was</u> enrolled during the 13-14 school year has an accurate 504 Plan record in Aeries
- Make corrections/updates according to the instructions provided
- Your 504 entries in Aeries will not immediately update on CALPADS
- Download and print the CALPADS 5.3 report and compare Aeries query information with the CALPADS report
- Students that have <u>or had</u> a 504 plan during the 13-14 school year should be on the CALPADS 5.3
- Your Aeries query results and CALPADS 5.3 may not match because your Aeries query is listing all students that, at <u>any point</u>, had a 504 program record added in Aeries

Major Changes to 504 Entries:

- Program Participation (.NET) and Program (CS) Start/End Date Fields
 - Eligibility fields are no longer valid!
 - When entering dates, <u>DO NOT</u> use Eligibility Start/End Date fields!
- Out of District Records
 - Use an Out of District record for new students to RUSD with a current 504 plan
- Annual Review Records
 - <u>DO NOT</u> enter any dates in Participation (.NET) and Program (CS) Start/End Date fields

Major Changes to 504 Records: Status Field and School Field

Which Status to use?

Initial Review? Out of District? Annual Review?

When to enter your school in the School field? Aeries.NET School Poly High School (Riverside) School Riverside Unified School District Aeries CS School Poly High School (Riverside) • School T
